Other terms defined

Aggregate Excess

This additional benefit limits the total Excess the firm will pay for the insurance year to three (3) times the selected per claim excess.

Circumstance

A Circumstance means an incident, occurrence, fact, matter, act or omission that may give rise to a Claim in respect of Civil Liability.

Successor Practice/Prior Practice

The definition of Successor Practice in the Minimum Terms and Conditions is complicated. You may be a Successor Practice even though you did not intend to take on the liabilities of another practice when taking it over or merging with it and even if you specifically agreed that those liabilities would remain elsewhere.

Whenever a practice ceases 'being carried on as a discrete business', there is potential for the Successor Practice clause to take effect.

You may become a Successor Practice by holding out your practice 'expressly or by implication' as being the successor of or by incorporating the other practice(s), by taking on a majority of the Principals in the other practice as Principals in your firm, by taking on at least one such Principal as a Principal when the majority have not become Principals in another practice, by taking a sole practitioner or Recognised Body into your firm as a Principal, or by taking on a sole practitioner as an employee after 31 August 2000.

If your firm has done any of these things, at any time or is planning to do so, you may be a Successor Practice and should provide full details.

Application Form

Please provide a full answer to every question. A Principal of the firm must sign and date this form along with any separate sheets.

Please include with this form your financial accounts for the last two accounting periods and a sheet of your current headed notepaper.

Please note that the following questions are designed to provide us with the information necessary to decide whether and, if so, on what terms, to offer to provide insurance for your firm. Filling the form in fully and with adequate detail will ensure that we are in the best position to provide you with a competitive quotation.

You should be aware that your answers to these questions do not amount to a notification to your current insurers of any claim against the firm or any circumstance that may give rise to a claim. If you have received a claim or are aware of any circumstances that may give rise to a claim you must inform your current insurer separately before the expiry of your current policy.
